

Call for Nominations

**Doctoral Workshop
SMS 35th Annual Conference
Denver**

Saturday, October 3rd

The Strategic Management Society is pleased to announce our 12th annual Doctoral Workshop to be held Saturday, October 3rd, preceding the Strategic Management Society Conference in Denver. The Doctoral Workshop will be held at the Sheraton Downtown Denver hotel, which is the site of the SMS Conference.

We are also proud to announce that 25 scholarships will be awarded to workshop participants. These scholarships will be offered through competitive entry and review of students for the Doctoral Workshop. The scholarships will cover costs of the Doctoral Workshop, as well as the SMS Conference Registration Fee.

The workshop will be led by Albert Cannella Jr (Arizona State University) and Xavier Martin (Tilburg University) as co-chairs. Names of additional faculty members taking part in the workshop will be made available in future correspondences as well as in announcements on the SMS website.

The Doctoral Workshop is intended for doctoral students at the early stage of their dissertation research. The Workshop will be highly interactive and will include a variety of panels as well as, practical sessions on developing dissertation proposals and launching academic careers, and a meet-the-editors session.

Nominees must have completed the initial comprehensive examination and coursework (or equivalent) of their doctoral program; preference will be given to those just commencing the formal work on their doctoral topic. Acceptance of a paper at the main Strategic Management Society conference is not required, but attendance at the conference is expected.

Application materials should include:

- Nomination/recommendation letter from a faculty member (with contact information)
- A one-page summary of the applicant's career to date
- A 300-word description of the applicant's research interests

Other things being equal, preference will be given to nominees

- who are current members of the SMS
- who have their nomination letter from a current member of the SMS

Only one (1) nominee per school will be accepted to the Doctoral Workshop; schools should only nominate one (1) student. While self-nominations are accepted, we encourage each institution to pre-select a candidate and nominate that individual.

As an international organization with a widely distributed membership, we aim to have the workshop attendee composition reflect this international representation.

All application materials should be submitted online to the conference website by June 4, 2015. The Doctoral Workshop Application Review Committee's decisions will be sent to nominees at the end of June 2015.

Please contact the SMS Executive Office (sms@strategicmanagement.net), Albert Cannella Jr. (acannell@asu.edu) or Xavier Martin (x.martin@tilburguniversity.edu) if you have questions about this exciting opportunity. We hope to see you in Denver!
